### 5. CSA AGREEMENT

By signing below I am committing to Farmer Dave's CSA for the entire 2018 season, and I am committing to paying the total amount detailed above. I understand that farming is inherently unpredictable and that, while Farmer Dave's acts in good faith to provide fresh produce for the duration of the season, we cannot guarantee quantities or contents of weekly shares. I understand that if I am unable to pick up my week's share within the designated time frame, I can have someone else pick it up. If I provide at least 3 business days notice to the farm, the farm will make an effort to switch my share to another pick-up location; however, I understand that this option is not guaranteed. I understand that any shares not picked up within the designated time frame will be donated to others in need, cannot be replaced and cannot be held for pick-up later in the week.
