CSA AGREEMENT

By signing below I am committing to Farmer Dave's CSA for the entire 2019 season, and I am committing to paying the total amount detailed. I understand that farming is inherently unpredictable and that, while Farmer Dave's acts in good faith to provide fresh produce for the duration of the season, we cannot guarantee quantities or contents of weekly shares. I understand that if I am unable to pick up my week's share within the designated time frame, I can have someone else pick it up. If I provide at least 3 business days' notice to the farm, the farm will make an effort to switch my share to another pick-up location within the same calendar week, however, I understand that this option is not guaranteed. I understand that any shares not picked up within the designated time frame will be donated to others in need, will not be replaced or refunded, and cannot be held for pick-up later in the week.

Vacation Policy: When I am on vacation, if I provide at least 3 business days' notice to the farm, I have the following choices in regards to my share that week: A friend or family member can pick-up my share; I can donate my share to one of the hunger relief partners of the farm; or my share can be moved to the following week, which means that I will receive two shares that week.
